

CORN SEED

DKC099-1 1RIB Brand Blend

Brand Blend

DKC099-11RIB Brand Blend is a 99 RM product with impressive yield performance potential and wide adaptation to management practices.

Selected Trait: **VT Double PRO® RIB Complete® corn blend**

VT2PRI8

Maturity **99**

Strengths

- Excellent emergence and seedling vigor enabling wide planting window
- Good staygreen and late season harvest appearance on this medium statured product
- Widely adapted across geographies with impressive yield performance
- Has demonstrated good drought stress tolerance with average heat stress tolerance

Local Rating Scale

-  Highly Recommended
-  Recommended with Management
-  Use with Management
-  Not Recommended
-  New Product

National Rating Scale

1 = Excellent, 9 = Poor, NH = Not Recommended, - = data is insufficient at this time.

Herbicide Sensitivity

A = Acceptable, C = Caution, W = Warning. Environmental conditions may cause herbicide interactions different than indicated for a particular growing season.

Herbicide Tolerance

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.

GDU (Growing Degree Unit)

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.
