

CORN SEED

DKC101-33RIB Brand Blend

Brand Blend

DKC101-33RIB Brand Blend has shown outstanding performance potential with broad adaptation across environments. This medium statured product features a solid agronomic package and very good early season package.

Selected Trait: **SmartStax® PRO® RIB Complete® corn blend**

SSPRIB

Maturity **101**

Strengths

- Has displayed outstanding yield potential and stable performance across environments
- Has demonstrated good emergence and excellent early growth
- Disease tolerance package includes strong Northern Corn Leaf Blight, Anthracnose Stalk Rot, and Goss's Wilt tolerance
- Semi-flex ear type with good tip fill adapts to a range of planting populations
- Medium statured product with medium-low ear placement boasts a full canopy and attractive late season appearance
- Moderate root strength and greensnap tolerance
- Product has dual purpose grain and silage potential

National Rating Scale

1 = Excellent, 9 = Poor, NR = Not Recommended, - = data is insufficient at this time.

Herbicide Sensitivity

A = Acceptable, C = Caution, W = Warning. Environmental conditions may cause herbicide interactions different than indicated for a particular growing season.

Herbicide Tolerance

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.

GDU (Growing Degree Unit)

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.
