

CORN SEED

DKC106-98RIB Brand Blend

Brand Blend

DKC106-98RIB Brand Blend is a 106 RM product with impressive yield performance potential, excellent test weight, as well as stress tolerance.

Selected Trait: **VT4PRO™ RIB Complete® Corn Blend**

VT4PRI8

Maturity **106**

Strengths

- Impressive yield performance potential with outstanding stress tolerance with potential for southern movement
- Nice balanced plant stature with medium plant and ear height with semi-flex ear type with excellent test weight
- Strong fungal disease tolerance package including Northern Corn Leaf Blight, Gray Leaf Spot, and Southern Rust
- Excellent root strength and greensnap tolerance
- VT4PRO™ Technology provides enhanced above ground protection with RNAi Technology for corn root worm protection

 New Product

National Rating Scale

1 = Excellent, 9 = Poor, NR = Not Recommended, - = data is insufficient at this time.

Herbicide Sensitivity

A = Acceptable, C = Caution, W = Warning. Environmental conditions may cause herbicide interactions different than indicated for a particular growing season.

Herbicide Tolerance

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.

GDU (Growing Degree Unit)

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.
