

CORN SEED

DKC108-64RIB Brand Blend

Brand Blend

DKC108-64RIB Brand Blend is a SmartStax® PRO with RNAi Technology product with incredible yield potential. This 108RM product has strong agronomics and has shown stable performance with broad acre versatility.

Selected Trait: **SmartStax® PRO® RIB Complete® corn blend**

SSPRIB

Maturity **108**

Strengths

- Incredible yield performance potential with strong agronomics and broad acre fit
- Semi-flex ear type with potential to respond favorably at medium populations
- Manage as an early harvest type of product for best product utilization
- Excellent root and stalk strength, and greensnap tolerance
- SmartStax® PRO with RNAi Technology provides protection against corn rootworm with 3 modes of action

 Use with Management

 Not Recommended

 New Product

National Rating Scale

1 = Excellent, 9 = Poor, NR = Not Recommended, - = data is insufficient at this time.

Herbicide Sensitivity

A = Acceptable, C = Caution, W = Warning. Environmental conditions may cause herbicide interactions different than indicated for a particular growing season.

Herbicide Tolerance

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.

GDU (Growing Degree Unit)

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.
