

CORN SEED

DKC45-74RIB Brand Blend

Brand Blend

DKC45-74RIB Brand Blend is a 95 RM product that can deliver great yield potential with broad adaptation and versatility across soil types and crop rotations. This product has a very attractive canopy with wide leaves, good staygreen, and consistent ear placement down the row.

Selected Trait: **SmartStax® RIB Complete® corn blend**

SSRIB

Maturity **95**

Strengths

- Broadly adapted product with utilization from east to west with great yield potential
- Very strong emergence package as an option for early planting
- Strong disease tolerance package including Northern Corn Leaf Blight, Anthracnose Stalk Rot, and Goss's Wilt
- Solid agronomic package including good root and stalk strength and very good greensnap tolerance
- Medium-tall plant height with balanced, medium ear placement has shown good kernel depth, test weight, tip fill, and husk cover
- Semi-flex ear type that has shown good performance at medium populations
- Has shown very good stress tolerance

National Rating Scale

1 = Excellent, 9 = Poor, NR = Not Recommended, - = data is insufficient at this time.

Herbicide Sensitivity

A = Acceptable, C = Caution, W = Warning. Environmental conditions may cause

herbicide interactions different than indicated for a particular growing season.

Herbicide Tolerance

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.

GDU (Growing Degree Unit)

Ratings are based on observations and research using herbicides at labeled and above labeled rates to simulate extreme environmental conditions, misapplication and adverse soil pH or organic content.
